

# 2013 Satellite Meeting of Chinese Neurotrauma Scholars Association

In association with the 2013 National Neurotrauma Symposium,  
Nashville, Tennessee

A U G 4 , 2 0 1 3

## Call For Abstracts

The Third Satellite Meeting of Chinese Neurotrauma Scholars Association will take place on Aug 4, 2013 in Nashville, TN. It will be one day before the National Neurotrauma Society (NNS) in the same venue. It will be a wonderful opportunity for researchers, students and postdocs to present their work and network with senior researchers and leaders in the field.

On behalf of the organizing committee, we sincerely request and encourage our students and postdocs to submit your abstracts to the meeting.

Top abstracts will be selected for a podium presentation for competition. Three recipients will be selected for awards with a certificate and additional \$300 check for Excellent Student/Postdoc Award and \$500 check for Outstanding Student/Postdoc Research Award.

Please use the attached template to prepare your abstract. The abstract will fit into one page space. Your abstract could be based on the same work submitted to the NNS meeting or other related projects. Please note that this call for abstracts is separate from the NNS meeting.

Please submit your abstract to [cnsa.conference@gmail.com](mailto:cnsa.conference@gmail.com) with the title of "CNSS Abstract."

**Deadline: June 20, 2013.**

**Notification date: July 1, 2013.**

If you have any questions, please feel free contact the following address:

Zhifeng Kou, Ph.D.  
Chair of CNSA Student Abstract and Award Committee

Assistant Professor of Biomedical Engineering and Radiology
